## 2009...A Challenge but very rewarding!

**April 2010** – Last year was truly a challenge for everyone including Shared Journeys! But we did some amazing things considering the economic climate!

**The 1<sup>st</sup> Annual JourneyQuest 5K event** in March 2009 was a great success and helped us create more awareness for brain injury and our Shared Journeys Program!

**Shared Journeys continued the Pilot Day Treatment Program** from November 2008 through May 2009. As a result we gained invaluable data for our future programs and we received wonderful letters of support from the families of the participants.

**The 2<sup>nd</sup> Annual Mulligan's Pub Charity Golf Tournament** on June 13<sup>th</sup> was even better than the first. We had a great group of people and surpassed our fundraising goal of \$10K. Much of that was due to the success of the Live Auction and the high bid for the "Date with Nate"

**The Second Annual Autumn Nights** Event held on September 18th was entertaining, beautiful, fun and elegant!

**Shared Journeys continued the Day Program** from October 2009 to the end of December 2009. The group went on field trips each month, prepared meals, completed projects, celebrated holidays together and became like family!
